

84 Years Celebration of Life Helen Rosina Graves

Mama,

Thank you for giving us your love and teaching us to have faith in God.

You guided us through the good times and the tough times.

We cherish you being there, no matter what the situation was.

We learned that with love of family we can survive.

You showed us what a good wife and a hard worker looked like.

You have been there for your daughters, grandchildren and great-grandchildren.

They are your pride and joy.

You walk through life with faith, grace, integrity and compassion.

You never cease to help others in need.

We can't imagine how incomplete our lives would be without you.

It would take a million words to tell you how much you mean to us..

It was your strength and prayers that got us this far.

As we end this tribute to you we must say!

We are so ever grateful for you and have a blessed and wonderful day!

Love you, Mama !
